PRESS STATEMENT:

Draft SCOTUS Opinion Would Overturn Abortion Rights

*In response to the public release of a draft SCOTUS opinion that would overturn *Roe v. Wade* and *Planned Parenthood v. Casey*, Annie's List released the following statement on behalf of **Interim Executive Director, Ana Ramón**:*

In Texas, we know firsthand what a world without *Roe v. Wade* could look like. For months, Texans have had to navigate a six-week abortion ban and bounty law that has upended access to essential care. This draft majority opinion confirms what we've anticipated all along: the end of our guaranteed right to abortion is imminent.

Our best chance to restore abortion access and rights for Texans is to vote out anti-choice Republicans and replace them with unapologetic champions for reproductive rights. Relying on the courts is no longer an option.
